La Chasse is an exquisite five double bedroom granite residence which has undergone a meticulous renovation under the care of the DiCasa team, resulting in a harmonious blend of practicality and opulence. Ideally situated in the picturesque St. Saviour countryside and in close proximity to arguably Jersey's best preparatory and secondary schools, including St. Michaels, La Chasse offers approximately 4,680 sq. ft. of living and sleeping accommodation. In addition to the main house the property boasts a standalone annex featuring a gym, shower room, toilet, and a kitchenette leading to an outdoor pool and terrace, all set against the backdrop of its expansive 7-acre countryside vista.

As you enter through the gated entrance, a stone driveway with a turning circle and separate garage offers ample parking. The main house is a charming and well-preserved granite residence bursting with an abundance of character. Its interiors are filled with numerous bright and spacious rooms that are thoughtfully laid out, catering perfectly to both couples and families.

The DiCasa team have spared no expense on this renovation starting from the quaint hallway and cloakroom on the ground floor, through to the brand-new home office, magnificent orangery and drawing room. The gorgeous drawing room has an impressive original stone fireplace and the orangery doubles as an elegant formal dining room with French doors leading out to the rear terrace. Adjacent to the orangery, the kitchen/breakfast room offers a seamless flow for modern living. The kitchen area is not only aesthetically pleasing but also highly functional, featuring an attractive design and a Lacanche French range, ample cupboards, a wine fridge and a new utility / pantry area.

The first floor hosts five spacious double bedrooms, with the primary and secondary bedrooms featuring en-suite bathrooms. The remaining bedrooms are serviced by a luxurious family bathroom. Each of the bathrooms are brand new and boast designer décor and luxury sanitary ware using only the finest of materials. Each bedroom benefits from fitted wardrobes, armchairs, and accessories you would expect to find having been styled by first class interior experts. The primary and secondary bedrooms also benefit from Juliet balconies, allowing for that wonderful morning sun to stream in.

Externally La Chasse offers a delightful heated pool with an electric cover and a terrace, affording sweeping vistas across the expansive fields and gardens, which stretch over approximately 7 acres. The formal gardens grace the rear of the property and are meticulously landscaped, featuring stunning buxus trees and a spacious entertainment terrace. La Chasse and its gardens predominantly face south, ensuring ample sunshine throughout the day. Importantly, the property also offers a high level of privacy.
